YB Lab Curriculum Vitae

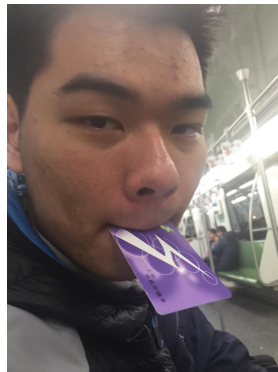

Xuanhao Xu

Bachelor candidate – Grade 2015

Email: xuxh@shanghaitech.edu.cn

Ph: +86 15221058002

Hometown: Shanghai, China

■ EDUCATION

Sep. 2015-expected Jun. 2019 Bachelor candidate, ShanghaiTech University

■ PERSONAL INFORMATION

Love life, love every day.

In terms of research, I'm interested in synthetic method and structure of MOFs. For hobby, I like sports and handcrafting, such as basketball, tennis, origami and model making. Although I'm a new member of this group, I still got a lot of help in this big family and love it so much.

■ RESEARCH INTERESTS

Synthesizing MOFs

Methane(Other gas) Storage

■ PROFESSIONAL SKILLS

Software: MatLab, Origin, Chem Draw, Python.

Language: Japanese(Unfamiliar).

Instrument: PXRD
