

Hao-Long Zhou

PostDoc

Email: zhouhl@shanghaitech.edu.cn

Ph: +86 15917469747

Hometown: Guangdong, China.

■ EDUCATION

- | | |
|-----------|--|
| 2008-2012 | B.Sc., Sun Yat-Sen University (Supervisor: Prof. Dr. Xiao-Ming Chen) |
| 2012-2017 | Ph.D., Sun Yat-Sen University (Supervisor: Prof. Dr. Xiao-Ming Chen) |

■ PERSONAL INFORMATION

Interest: Reading, watching football matches.

■ RESEARCH INTERESTS

- Crystal engineering of functional porous materials, especially metal-organic frameworks and covalent-organic frameworks, as well as stimuli-responsive materials.
- Direct observation of responsive behaviors and sorption behaviors in crystals via X-ray diffraction.

■ PUBLICATIONS

ResearcherID: <http://www.researcherid.com/rid/M-7792-2014>

ORCID: <http://orcid.org/0000-0002-5007-6535>

Google Scholar: http://scholar.google.com/citations?user=oA_bgE8AAAAJ&hl=zh-CN

■ PRESENTATIONS

"Engineering pore surface of metal azolate frameworks for efficient gas separation", Pacificchem 2015, Honolulu, USA. Jie-Peng Zhang and Hao-Long Zhou.

■ FELLOWSHIPS AND AWARDS:

- 11/2013 "National Scholarship" for distinguished graduate PhD students
- 11/2014 Baosteel Education Scholarship - Outstanding Student Prize
- 11/2015 "National Scholarship" for distinguished graduate PhD students
- 05/2017 National Postdoctoral Program for Innovative Talents
